

TITLE: Financial Assistance Program

PURPOSE: To ensure that UF Health Jacksonville meets its community obligations to provide financial assistance in a fair, consistent and objective manner. To establish a program that is in compliance with Section 501(r) of the Internal Revenue Code.

POLICY: UF Health Jacksonville provides, without discrimination, care for emergency medical conditions to individuals regardless of whether they are eligible for assistance under this policy. UF Health Jacksonville will not engage in actions that discourage individuals from seeking emergency medical care, such as by demanding that emergency department patients pay before receiving treatment for emergency medical conditions or by permitting debt collection activities that interfere with the provision, without discrimination, of emergency medical care. Emergency medical services are provided to all UF Health Jacksonville patients in a non-discriminatory manner, pursuant to UF Health Jacksonville's EMTALA policy. (Policy Number MS-06-015)
