UF HEALTH JACKSONVILLE
Pharmacy Department

A great place to live and work.

UF Health Jacksonville provides opportunities to work close to where you live, while enjoying the beauty of Northeast Florida. With miles of beaches, marshlands and rivers, there are recreational activities to fit every lifestyle, such as camping, fishing, golfing and water sports.

Jacksonville features numerous arts and entertainment venues and is home to three professional sports organizations: the Jacksonville Jaguars, the Jacksonville Armada and the Jacksonville Jumbo Shrimp.

Contact us today to learn more about becoming a member of our pharmacy team.

UFHealthJax.org/pharmacy
Pharmacists

- Act as mentors for pharmacy students
- Eligible for clinical faculty appointment through the UF College of Pharmacy
- Opportunities to develop student and resident rotations in area of practice
- Potential for participation in clinical research
- Receive support for professional development and board certification
- Serve on departmental and interdisciplinary committees
- Teach at the Jacksonville campus of the UF College of Pharmacy

Pharmacy department providers are highly skilled pharmacists, technicians and support personnel who practice in a professional environment, with a direct impact on patient care in various areas throughout the hospital. Our pharmacists provide comprehensive medication therapy management. They take personal responsibility to fulfill their commitments in a timely manner and to provide safe, effective and appropriate therapy.

Our pharmacists educate patients, students and health care professionals and demonstrate leadership in the field of pharmacy. They also conduct research to improve medication use and best pharmacy practices.

To apply for any of our positions, the following application materials are required:

- Curriculum vitae
- Cover letter detailing your goals
- Official College of Pharmacy transcript (Residents only)
- Letters of recommendation from three professional sources (Clinical preceptors preferred)

Resident candidates should submit application materials through the Pharmacy Online Residency Centralized Application Service portal by the published deadline.

Pharmacists should contact the pharmacy department at 904.244.4157 for submission details.

Training Programs

STUDENTS
